

The Dell 3115cn multifunction color laser printer

Exceptional performance color laser with network printing, scanning, walkup copying and standalone fax

Boost productivity in your office with the fast and versatile Dell 3115cn Multifunction Color Laser, a space-saving unit that does the work of four separate machines. The network-ready 3115cn MFP features print speeds of up to 31 ppm in black, up to 17 ppm in color (actual print speed will vary with use), and color scanning across your network or to e-mail addresses.

Lower your total cost of printing with optional high capacity toner cartridges and manage printing costs with Dell™ Color Track 2 by designating color printing rights access, setting print volume limitations, and tracking printer usage.

Get the maximum value your business deserves with a printing package that combines proven performance, an intuitive feature set and high-quality service and support. With Dell, you can achieve more.

Outstanding Performance

- 4-in-1 color network printing and scanning; stand-alone copying and fax.
- Fast printing – up to 31 ppm in black and 17 ppm in color – actual print speed will vary with use.
- Crisp text and enhanced graphics at 600 x 600 dpi print resolution (2400 Image Quality).
- Expandable memory to allow fast printing of high-quality complex documents- up to 1280MB maximum including standard memory.
- Dependable – up to 60,000 pages monthly duty cycle.
- Robust paper handling features, including optional two-sided printing and an optional 550-sheet paper tray.

Easy to Use

- Lower cost per page with the optional 3115cn High Capacity Toner Cartridges (up to 8,000 pages yield in black⁴ and color⁴) while helping to reduce the frequency of toner replacement.
- Easy toner installation using drop-in cartridge design.
- Standard 150-sheet multipurpose tray and 250-sheet tray; add up to one optional tray to maximize input capacity to 950 pages and minimize the frequency of paper replenishment.

Easy to Manage

- Dell™ Toner Management System sends proactive alerts when toner levels are low and enables hassle-free online re-ordering.
- Manage color printing with Dell™ Color Track 2, and advanced color management tool that allows IT administrators to remotely designate color printing access, set print volume caps, and track printer usage on an individual or workgroup basis.
- Monitor, manage, and report on your fleet of networked 3115cn printers with Dell™ OpenManage Printer Manager.
- Connect easily through standard Ethernet, parallel, and USB2.0 ports.
