Performance

- Produce high-quality documents quickly and easily. Print speeds of up to 22 pages per minute (ppm) and automatic two-sided printing ensure efficiency from start to finish with this desktop black-and-white laser printer. With Instant-on Technology, you don't have to wait for the printer to warm up, and the first page prints in as few as 8.5 seconds.

- Share the printer's value with versatile connectivity. Designed for individuals as well as small workteams, the printer provides multiple connectivity options. The HP LaserJet 1320 printer features simple USB 2.0-compatible and parallel port connectivity. Other models offer advanced capabilities, including the HP Jetdirect Fast Ethernet embedded print server and the HP Jetdirect 802.11b/g wireless Ethernet embedded print server, for ultimate networking flexibility.¹

- Count on HP reliability and performance. Featuring a 133 MHz processor and 16 MB of RAM (expandable up to 144 MB of RAM), the printer meets your business needs and gracefully handles complex documents.

Look sharp

- Enhance your business communications. The HP LaserJet 1320 series printer delivers 1200 dpi resolution for consistently great documents. Smooth HP microfine toner particles produce true HP LaserJet print quality—clear, sharp text characters, smooth grayscales, and deep blacks. For the best results, use HP papers and impress your clients and customers.

- Print two-sided documents with ease. Routinely printing on both sides with integrated automatic two-sided printing saves money and resources, virtually doubles your input capacity, and makes paperwork more manageable.

Maximize your potential

- Take advantage of compatibility. The printer is compatible with offices worldwide. Print professional documents with PCL 6, PCL 5e, or HP postscript level 2 emulation—print language standards widely recognized in businesses around the world.

- Enjoy a large input capacity and reduce paper tray loading. HP LaserJet 1320 and 1320tn printers feature a second 250-sheet input tray in addition to the standard 250-sheet tray, for a 500-sheet total input capacity.²

- Save valuable desk space. Featuring an enhanced, compact design with no protruding trays, you can print simply and conveniently from almost anywhere in your office.

- Simplify printer management with helpful alerts. The printer and HP supplies feature HP Smart printing technology,³ which provides automatic alerts when a cartridge is low. HP SureSupply™ ⁴ enables convenient, online ordering.

- Experience the freedom of a printer designed for your office. Built to fit into your existing office environment, the printer supports a wide range of operating systems, including Microsoft® Windows® 98, Me, NT® 4.0, 2000, Windows Server 2003, and XP; as well as Macintosh OS 9.x, OS X 10.1, 10.2, and 10.3. HP printing and imaging systems help you create powerful, professional communications easily. HP printers, supplies, accessories, and services are designed to work together and are invented to meet your business needs.

¹ HP LaserJet 1320n, 1320tn, and 1320nw printers feature an HP Jetdirect Fast Ethernet embedded print server and do not include parallel port connectivity. The HP LaserJet 1320nw printer also features an HP Jetdirect 802.11b/g wireless Ethernet embedded print server.

² The second 250-sheet input tray is an optional accessory for all other models—not included, sold separately.

³ Using genuine HP supplies ensures availability of all HP printing features.

HP LaserJet 1320 series printer

1. 125-sheet output bin
2. LED status lights provide printer and print job information
3. One-door access to the easy-to-install print cartridge
4. Adjustable single-sheet multipurpose input slot for specialty paper
5. Enclosed 250-sheet input tray for standard paper
6. 16 MB of standard printing memory and a powerful 133 MHz processor perform complex tasks quickly
7. USB 2.0-compatible port for direct connections or optional Bluetooth™ connectivity
8. HP Jetdirect Fast Ethernet embedded print server and HP Jetdirect 802.11b/g wireless Ethernet embedded print server for flexible networking
9. Automatic two-sided printing provides effortless professional documents and reduces printing costs
10. Rear output door provides a straight-through path

Series at a glance

- **HP LaserJet 1320**
  - Single-sheet multipurpose input slot and 250-sheet input tray
  - USB 2.0-compatible port
  - IEEE 1284-B compliant parallel port

- **HP LaserJet 1320t**
  - Single-sheet multipurpose input slot and 250-sheet input tray
  - Additional 250-sheet input tray for 500-sheet capacity
  - USB 2.0-compatible port
  - IEEE 1284-B compliant parallel port

- **HP LaserJet 1320n**
  - Single-sheet multipurpose input slot and 250-sheet input tray
  - USB 2.0-compatible port
  - HP Jetdirect Fast Ethernet embedded print server

- **HP LaserJet 1320tn**
  - Single-sheet multipurpose input slot and 250-sheet input tray
  - Additional 250-sheet input tray for 500-sheet capacity
  - USB 2.0-compatible port
  - HP Jetdirect Fast Ethernet embedded print server

- **HP LaserJet 1320nw**
  - Single-sheet multipurpose input slot and 250-sheet input tray
  - USB 2.0-compatible port
  - HP Jetdirect Fast Ethernet embedded print server
  - HP Jetdirect 802.11b/g wireless Ethernet embedded print server
Revolutionize printing in your workplace with this powerful combination of clear, crisp 1200 dpi resolution and easy-to-use wired and wireless networking.

Maintain your business, not your printer
Designed with ease-of-use, real-time status, and supply management features, the HP LaserJet 1320 series printer offers top-of-the-line capabilities while lowering your total cost of ownership by minimizing printer downtime.

• Receive automatic alerts when a cartridge is low with HP Smart printing technology.6
• Take advantage of convenient online ordering with HP SureSupply™ 5
• HP Toolbox and the HP Embedded Web Server provide effortless remote access to printer settings, status information, the user’s guide, and self-help and troubleshooting information

HP’s commitment to reliability lowers overall labor costs while minimizing employee downtime due to troubleshooting and printer servicing. In fact, HP is the only vendor to get an A rating on Printer Service and Reliability twelve years in a row from PC Magazine’s annual reader survey.

HP LaserJet quality
The HP LaserJet 1320 series printer provides the high-quality laser output you have come to expect from the industry leader. High-resolution, 1200 dpi laser imaging and an advanced toner formulation ensure great print quality for your business documents, and HP Smart printing technology monitors and adjusts print cartridge characteristics to ensure consistent print quality throughout cartridge life.6

Smooth HP toner particles produce true HP LaserJet print quality—clear, sharp text characters, smooth grayscale, and deep black. With genuine HP toner, you get the most out of your HP print cartridge and your HP printer.

Easy mobility with wireless networking
The HP LaserJet 1320nw printer comes standard with wired and wireless connectivity.7

• Enjoy the freedom of mobility. Place the printer anywhere in your wireless network environment.8 Future equipment moves become effortless, since there’s no need to purchase expensive networking cables.
• Data travels quickly, at speeds up to 54 Mbps across distances of up to 100 feet (30.5 meters).
• The printer provides a simple, secure connection to an 802.11b/g wireless network and is Wi-Fi-certified to work reliably with other 802.11b/g wireless products.
• Security features include Wired Equivalent Privacy (WEP) and Wi-Fi Protected Access (WPA Pre-Shared Key).

Service and support from HP
HP offers a variety of support options to assist you with setup and maintenance. Start with the standard one-year, return to HP authorized service center warranty. To further ensure trouble-free operation and to maximize the capabilities of your printer you can upgrade your service and support options to include network installation and extended printer maintenance.

5 To learn more about HP SureSupply™, go to www.hp.com/go/suresupply
6 Using genuine HP supplies ensures availability of all HP printing features.
7 Wireless printing is standard on the HP LaserJet 1320nw printer only.
8 Wireless performance is dependent upon distance and terrain between wireless network clients and printer.
