This intuitive workgroup MFP makes it easy to print, copy, scan, digitally send, and fax—all from one device that is small enough to fit on your desktop!

Performance you can rely on

Improve workgroup efficiency with black-and-white print and copy speeds up to 55 pages per minute (ppm) letter and up to 52 ppm A4.1 Maximize uptime and handle a steady stream of print and copy jobs with an input capacity of up to 2,100 sheets. Enjoy versatile paper handling with a choice of two different output options—a 500-sheet output bin or a 3-bin, 900-sheet mailbox that sorts, staples, and stacks (features vary by model).

Manage print jobs directly from the MFP, using the HP Easy Select pivoting color control panel. Image preview makes it simple to add, delete, rotate, and reorder pages for digital send jobs right from the control panel. Use the walk-up USB port to print from—and save scans to—a flash drive.

Easy to manage and add solutions

Save your IT department time and money with HP Web Jetadmin—an award-winning, industry-leading tool for efficiently managing a wide variety of networked HP and non-HP devices.

Protect your investment and accomplish more. HP FutureSmart firmware ensures that your MFP will have the most up-to-date features long into the future. The HP Open Extensibility Platform simplifies the development and deployment of HP and third-party solutions. Easily deploy HP and partner solutions, such as ID card readers, via the hardware integration pocket (may require additional purchase).

Print to your HP MFP, using a smartphone, notebook, or other mobile device with HP ePrint.2 For businesses deploying BlackBerry phones, HP ePrint Enterprise enables printing on any networked printing device.3

Advanced security features

Protect your sensitive data with the pre-installed HP Secure High Performance Hard Disk.4 Even if the hard disk is removed, the data it contains is encrypted, helping to keep it secure.

Keep confidential print jobs private—use authentication methods such as requiring a PIN at the control panel to retrieve jobs. Expand IP addresses on your network with IPv6 and implement network access control with IPsec. Protect your most sensitive business documents with encrypted emails and PDFs.

1 Measured using ISO/IEC 24734, excludes first set of test documents. For more information see www.hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity.

2 Requires an Internet connection to the printer. Feature works with any Internet- and email-capable device. Print times may vary. For a list of supported documents and image types, see www.hp.com/go/ePrintCenter. Some HP LaserJet products will require a firmware upgrade.

3 HP ePrint Enterprise requires BlackBerry Enterprise Server deployment, Internet- and email-capable BlackBerry smartphone OS 4.5 with separately purchased wireless Internet service, HP ePrint app and HP ePrint Enterprise server. Solution works with PCL5/6, PCL3, PCL3GUI printers (HP and non-HP).

4 The M4555 MFP model (available in Europe, Middle East, and Africa only) comes standard with a Solid State Drive, but can be upgraded to the HP Secure High Performance Hard Disk. Compared with products that use traditional fusing and cold cathode fluorescent lamp (CCFL) copying.

5 Program availability varies. HP print cartridge return and recycling is currently available in more than 50 countries, territories and regions in Asia, Europe, and North and South America through the HP Planet Partners program. For more information, visit: www.hp.com/recycle.
HP LASERJET ENTERPRISE M4555 MFP SERIES

1. Intuitive 20.5 cm (8.07 in) HP Easy Select pivoting touch screen color control panel
2. Walkup USB port
3. Hardware Integration Pocket for solution integration
4. 900-sheet 3-bin stapling mailbox
5. Built-in automatic two-sided printing
6. Four 500-sheet input trays for a 2,100-sheet total input capacity
7. 50-sheet ADF scanner processes two-sided documents
   Plate-glass scanner handles documents up to legal size (216 x 356 mm)
8. Top cover release lever allows convenient access to the toner cartridge
9. 100-sheet multipurpose tray 1 handles heavy custom media up to 200 g/m² (53 lb bond)
10. Hi-Speed USB 2.0 port
11. Access port for optional Kensington-style lock
12. HP Jetdirect Gigabit Ethernet embedded print server
13. 1,280 MB total memory and an 800 MHz processor quickly handle complex print jobs
14. Embedded HP Secure High Performance Hard Disk
15. One open EIO slot
16. RJ-11 fax port

7 HP LaserJet Enterprise M4555 MFP available in Europe, Middle East, and Africa only.
8 Includes Solid State Drive.
Conserves energy and reduces your environmental impact

Reduce energy use with Instant-on Technology and Instant-on Copy.9 HP LaserJet products with Instant-on Technology use an innovative, quick-heating fuser system that warms rapidly and cools quickly.

Prevent wasted paper and easily print on both sides of a page, using automatic two-sided printing. And with PIN printing, you can ensure only authorized users are consuming resources.

Get the most out of your MFP with HP accessories, supplies, and services.

HP 3 x 500-sheet Paper Feeder with Stand
Spend less time loading paper with a total input capacity of up to 2,100 sheets. Plus, you’ll get support for a range of paper types and sizes.

900-sheet 3-bin Stapling Mailbox
Boost office efficiency with a 3-bin 900-sheet mailbox that sorts, staples, and stacks.
